

INDIAN INSTITUTE OF MANAGEMENT AHMEDABAD

Requires

Research Assistant – Gender Centre

Project(s) Description: The candidate will be expected to assist with projects for the Gender Centre which will involve help with collecting and analyzing large scale data sets.

Qualifications: Candidates with a Master's/PhD in Economics, Statistics, Operations Research and Applied Mathematics are encouraged to apply. Candidates with a Master's Degree in Computer Science and related disciplines, who are interested in PhD in Management and other applied domains, are also welcome.

Eligibility: Candidates must have a good knowledge of STATA or R. Ideally, candidates will have prior experience handling large-scale data sets. Understanding of econometric techniques and good language skills will be given preference. As the faculty members of the Gender Centre plan to conduct surveys in the coming period, those with prior survey experience are especially also encouraged to apply.

Project Tenure: The initial appointment is for six months, with a possibility of extension up to one year, based on performance appraisal.

Selection Process: Selected applicants from the pool would be requested to submit a preliminary analysis of a curated data-set, along with the accompanying code (including estimation routines).

Compensation: The selected candidate will be offered a competitive monthly salary based on prior qualifications and experience.

How to Apply: Please fill the form [Link->Registration Form](#) until August 5, 2021.
